## MESSAGE

On the outset of the New Year, I convey my heartfelt wishes to the Subham Family for the shelter that I have got in the year 2014 because of Subham Planners. The site of Subham Regency is very beautiful surrounded by spacious areas with Garden, decorated lighting and safety security. Every Flat owners are proud of having such an Apartment in the prime area.

Wishing you all a very bright future and a Prosperous New Year 2015.
